Zane,

Hi Zane,

It was great connecting with you. To obtain medical insurance quotes from our underwriting team, I'll need the following information:

1. Employee Census

(Your current broker should be able to provide this.)

Please include all employees, both full-time and part-time.

For each employee, please provide:

- * Employee Name
- * Date of Birth
- * Gender
- * Home ZIP Code

For any enrolled dependents, please also include:

- * Dependent Name(s)
- * Dependent Date(s) of Birth

2. Most Recent Medical Invoice

Please send a copy of your most recent medical invoice, including all pages.

This helps us verify current enrollments and plan participation.

3. Current Medical Plan Documents

Please provide plan summaries or benefit descriptions for all plans currently offered.

Please ensure the documents include:

- * Employee contributions/deductions
- * Copays
- * Prescription copays
- * Deductibles
- * Any other plan design details

4. 2027 Renewal Information

If available, please provide your most recent 2027 renewal documentation.

Once I receive these items, I'll submit everything to our team and begin the quoting process.

Thank you, and please let me know if you have any questions.

Hi Nick,

Apparently, there is a Vensure Jan 1 option on the table. Can you please help me get Nate everything he has requested so he can get quotes from their providers to include in our analysis for coverage options for 2027? I appreciate your support with this request.

Hey Zane,

Glad you emailed, I had a reminder pop up today to touch base with you and follow up on our conversation from the week prior.

I am happy to help in anyway that I can. All the employee data is in the Vensure platform, which I do not have access to. I am happy to provide your Trustmark renewal when it becomes available.

Can you please log in to your Vensure account and send:

1. Employee Census

(Your current broker should be able to provide this.)

Please include *all employees*, both full-time and part-time.

For each employee, please provide:

- Employee Name
- Date of Birth
- Gender
- Home ZIP Code

For any enrolled dependents, please also include:

- Dependent Name(s)
- Dependent Date(s) of Birth

We will quote our carrier mix and compare it to the Vensure option to see which looks best for CrossPeak.

Hi Nate ,

I just talked to Nick and he asked me to ask you to stand down, but my trust is basically at zero at the moment and nothing he shared made any sense. I don't care if 12 people get quotes as long as one of them gives me the lowest quote. Please continue getting quotes, but make sure whoever you work with does not step on the feet of Nick or his contacts. Let me know if you have any questions. Nick said that the prices would be the same, but I'll believe that when I see it.

Hi Zane,

Thanks for the update. To move forward and obtain competitive quotes from our underwriting team, I'll need the requested documentation from Nick. Those documents are necessary for our carriers to properly evaluate your current plans and provide accurate comparisons against your existing coverage.

Once I receive the information, I'll get it over to underwriting right away so we can begin the quoting process and see how the market compares to what you have today.

Hi Nick and Nate,

Following up on this thread. Nate is working on the census, but he still needs the following from you, Nick, to get full quotes from underwriting:

1. Our most recent medical invoice (all pages)
2. Current plan documents / plan designs for all plans offered (employee contributions, copays, Rx copays, deductibles, and other plan design details)
3. Our 2027 Trustmark renewal, as soon as it is available

Nick, can you please send these over to Nate by end of day Friday? I want a complete side-by-side comparison of our options for 2027, and this is the only thing holding it up.

Nate, thanks for staying on this

Brittany / Nick,

C.W., A.K. and P.D. were all terminated this year. Why are we still being billed for their insurance? How do we recover the payments that we should not have been billed? Is Venter responsible for training and setting up systems to integrate with Trustmark, or is that the job of the broker? Nobody asked me to take any actions on any termination with regards to insurance. So this was a very big miss. How soon can we all hop on a call to discuss? Nick, please shut off payments right away to stop the bleeding Brittany, please provide the termination dates of these three terminated employees.

Hey Nick,

What was the cost of this miss? (cost of insurance paid for each employee when we should not have paid)

I expect the PEO who owns insurance onboarding to also own insurance offboarding.

Brittany Shively,

I will seek a credit to our account for the insurance cost. If I missed a step, I was never informed, trained, or notified that I needed to take any action to notify Trustmark about terminations to end service. This has always fallen under the PEO umbrella. Let me know if you disagree. Please confirm receipt of this request. Thank you.

Good morning,

I took a look at your signed BASA, which I also attached here for your reference. Vensure is not responsible for managing things with the carrier. The employees are termed on our end, and I have confirmed that there are no deductions being returned for these employees through payroll either.

You and your broker will be responsible for notifying the carrier of terminations that are taking place as that falls under the reconciliation. Please let me know if you have any additional questions.

Good morning Nick,

Our system does not allow for that at this time. A termination report can be pulled or the employee change report. The change report would capture any address changes as well as new hires.

This would be the responsibility of Zane to get this over to you unless you are granted access, which would need to be approved by Zane.

Subject: Re: Vensure - Medical Documents Needed

Hi all,

I'm putting everyone on one email so we all have the same picture. Three employees who left CrossPeak earlier this year, C.W. (termed 3/1/2026), A.K. (4/14/2026), and P.D. (5/4/2026), stayed enrolled and billed on our Trustmark medical plan for months after they left. We estimate about ***\$25,700*** in premiums paid through September.

Our position is simple. This was our first year with our medical plan sitting outside the PEO, with an outside carrier and broker. Vensure enrolled our employees in this plan through its platform and processed all three terminations in March, April, and May. ***Not one person said anything to me about insurance after any of them.*** Nobody at Vensure, UNIQ, or Trustmark ever told me or trained me on how terminations were supposed to be sent to the carrier. No checklist, no reminder, no training on our role. A handoff this important should have been established and explained when the plan was created. It wasn't, and we paid for it.

Here is what we are asking of each of you. I've numbered every request so you can answer each one directly.

TRUSTMARK (Cheryle, the administration team, and group premium) - I'm asking for your support in cleaning this up:

T1. Retro-terminate all three as close to their termination dates as possible, ideally, the end of each termination month.

T2. Refund or credit the claim, prefund, stop-loss, and admin fees billed for them after that date.

T3. Tell us whether any claims were paid for any of the three after their coverage should have ended. On a self-funded plan those come out of our claim fund, so we need them identified and reversed.

T4. Tell us your retro-termination limit and what flexibility Trustmark can offer, given that this was our first year on the plan.

I can confirm full names and member details by phone or through the portal.

NICK (UNIQ) - You're our broker of record for the Trustmark plan, and Trustmark's onboarding email said changes go through the broker. ***I needed training on how terminations work with you, and that didn't happen.*** Here is what I need from you:

N1. Work with Trustmark to retro-terminate all three and refund everything they can.

N2. Find out whether any of the three kept using the insurance after they left. If claims were paid, I want them identified and reversed. ***We 100% need a refund for everything after their termination dates.***

N3. Itemize what we paid for each person after termination.

N4. Let me know what UNIQ can contribute toward anything that Trustmark won't refund.

N5. Set up a termination process with me going forward. I can send you Vensure's termination and change report every payroll, or approve your access to pull it yourself. Your call.

N6. Get Nate the census and which plan each employee is on, so he can finish the 2027 quotes.

VENSURE (Brittany) - Thank you for sending the Benefit Administration Services Addendum. I read it, and I agree it doesn't make Vensure the official owner of carrier terminations. *But Vensure is the one who signs our employees up for this insurance.* Under that same addendum, Vensure sets up our plan's eligibility and runs the enrollment platform for new hires, renewals, and life events. That platform is the only place that shows when someone leaves, and Nick has told us he has no access to it. *When the company that enrolls employees in a benefit terminates those same employees, there is a reasonable expectation that it will at least tell the broker, or tell me to.* That didn't happen once, and it happened three times in a row. We chose Vensure so we would have a partner guiding us through exactly this. Here is what I'm asking of Vensure:

V1. A goodwill credit toward whatever Trustmark cannot refund.

V2. Going forward, whenever Vensure terminates an employee who is enrolled in a benefit through your platform, notify Nick and me that day so the carrier can be notified.

V3. A termination and employee change report is sent to Nick and me every payroll cycle, starting now.

V4. Pricing for the Vensure service tier that includes carrier member management, for the 1/1/2027 plan year.

V5. A meeting with your team to explain why we were told we had to move to a 7/1 renewal when a 1/1 option became available. I'm still confused by this, and I'm thankful Nate found a path for us.

I want to be direct about where this goes. Support on this will make it much easier for us to put the rest of this year's issues behind us. If Vensure is not willing to help here, I will need to request a full review of every fee we have paid Vensure to date, and of every late fee, penalty, and interest charge for every state that was registered or paid late.

NATE - Thank you for staying on the 2027 quotes and *for finding this issue!* Without you catching it, we would have kept paying. I really appreciate you being on top of this for us.

Q1. Once you have the census and plan details, how long until we see quotes?

WHAT I NEED FROM EVERYONE

1. Please reply all by the *end of day Monday, September 28,* to confirm you received this.

2. In that same reply, *for each numbered request addressed to you, tell me what you'll do and when I'll hear back.* For example: "T2 - refund amount confirmed by 10/9."
3. If a request belongs to someone else, say so, and tell me who.

The full record is here: [Escalation #08 - Vensure Escalation Log](#)

Hello, thanks for this quick reply. I clearly am unhappy with the amount of coverage you all are recovering for us. Please detail exactly how much in claims and services were provided that you are charging \$25k for. To say the least, this was a major miss by your broker, and we will be publicly requesting full compensation from all parties involved. I would like to meet with the highest level of management you can provide to review as soon as possible. This is my number one priority. Please let me know what availability your team has.

Hi all,

Check-in after this morning. Trustmark's reply (quoted below) went only to me, so everyone has it now.

TRACKER UPDATE - 9/28, 11:50 AM ET. Escalation #08 is updated with Trustmark's response, a recovery meter and the full status list below. It will stay updated until this is resolved: Escalation #08 - updated 9/28, 11:50 AM ET

WHERE WE STAND

Overpaid *about \$25,700*. Recovered *about \$4,800*. Still open *about \$20,900*.

Trustmark termed A.K. effective 6/1, P.D. effective 9/1 and C.W. effective 10/1. P.D. and C.W. had prescription claims paid after they left, which set their later dates.

OUR POSITION

Three parties failed here. *Vensure* never made sure I knew my offboarding role, never set up any communication with our broker, and never checked a new client's terminations. *Nick* never trained me to notify him of terminations or checked in. *I* should have run my own status checks. Official ownership sits with CrossPeak and our broker, but given Vensure's role we expect *a one-third share each: CrossPeak, Vensure and UNIQ* (UNIQ's through payment or by improving Trustmark's numbers).

***FULL REQUEST LIST* - *NEW* items in red were added today**

Request Status

Trustmark

T1 Retro-terminate all three DONE (6/1, 9/1, 10/1)

T2 Refund fees billed after termination PARTIAL (~\$4,800 on next invoice)

T3 Were claims paid after coverage ended? ANSWERED (yes, prescriptions for C.W. and P.D.)

T4 Retro limit and flexibility PARTIAL (3-month limit; flexibility not addressed)

T5 *NEW* Assign a new account manager (Cheryle's email is blocked) OPEN

T6 *NEW* Itemize prescription claims paid after termination OPEN

T7 *NEW* Reverse or recover those claims so end dates can move back OPEN

T8 *NEW* Confirm exact credit amount and invoice OPEN

Nick / UNIQ

N1 Work with Trustmark on retro-terms and refunds IN PROGRESS (improve on Trustmark's numbers)

N2 Did any of the three use the insurance after leaving? ANSWERED by Trustmark (yes, two did)

N3 Itemize what we paid per person after termination *NEW:* exactly, month by month, vs. credits OPEN

N4 What UNIQ contributes *NEW:* we expect one-third OPEN

N5 Set up a termination process with me OPEN
N6 Census and plan-by-employee to Nate OPEN
N7 *NEW* Schedule a call today and pull Trustmark on OPEN

Vensure

V1 Goodwill credit *NEW:* we expect one-third OPEN
V2 Same-day notice to me and Nick on any termination OPEN
V3 Termination and change report every payroll OPEN
V4 Pricing for the tier with carrier management OPEN
V5 Meeting on why we were told 7/1 OPEN
V6 *NEW* Brittany: be available for Nick's call and invite the most
senior manager available OPEN

Nate

Q1 Quote timeline once census is in OPEN
Q2 *NEW* Confirm the census excludes the three former employees OPEN

Everyone

D1 *NEW* Official request: send every email, note or record that informed
CrossPeak of its offboarding role, or confirm in writing none exists OPEN
D2 *NEW* Notice to preserve: keep every record that touches this matter,
in any form or system (emails, texts, chats, call notes, recordings, CRM
and tickets, enrollment, billing, claims and termination records) until
resolved OPEN

R Confirm receipt and dates for your items by end of day Tuesday Trustmark
DONE; Nick, Vensure, Nate OPEN

Please *reply-all to confirm* receipt, that you're preserving records, and
that you'll join once Nick sends a time.

Subject: Re: Vensure - Medical Documents Needed

Hi Zane,

I wanted to let you know that I have submitted all of the documents to my underwriting team. The quoting process typically takes about five business days to complete.

Once I receive the quotes back, I will review them and be in touch with the results and next steps.

Please let me know if you have any questions in the meantime.

Best,

Brittany, Nate, Nick,

Thank you, Nate. Quotes around Monday, October 5 works.

TRACKER UPDATE - 9/28, 2:15 PM ET: Escalation #08 now shows the root cause below, Vensure's 100% responsibility, our errors and omissions claim, and the new-hire enrollment gap. It will stay updated until this is resolved: Escalation #08 - updated 9/28, 2:15 PM ET

ROOT CAUSE

Vensure never provided the access required to onboard and offboard our employees with the carrier.

Date / time (ET) Who What they wrote

Fri 12/19/2025

3:49 PM Nick (broker) asks Vensure ""Who would we need to assign to their health insurance plan to have access to their portal for billing, ID cards, etc.??""

Tue 12/23/2025

11:36 AM Brie Dixon (Vensure) promises ""We will have someone from our team that will be assigned to assist.""

Mon 12/29/2025 9:00 AM *Brie Dixon (Vensure) proposes it* ""All data will be housed in our system. However, Nick should have access to be able to pull reports, etc. @Angel Deaton - does he have access at this time & if not can we please initiate that if the client agrees.""

Mon 12/29/2025 9:04 AM *Nick requests it* ""Access would be great...""

Mon 12/29/2025

1:25 PM Zane (CrossPeak) ""please let me know if you need anything from my side""

Mon 1/5/2026

6:18 PM Zane (CrossPeak) ""if anybody needs anything from me, please let me know""

Tue 9/15/2026

2:57 PM Nick, nine months later ""All the employee data is in the Vensure platform, which I do not have access to.""

No one was assigned. The access was never set up. No one ever asked me to approve anything.

WHAT IT CAUSED

- *Offboarding:* three terminations (3/1, 4/14, 5/4) never reached Trustmark. About *\$25,673* billed; about \$4,800 recovered; about *\$20,873* still open*.

- NEW - Onboarding: today Vensure's system showed a July hire (H.R.) on Trustmark, but his enrollment never reached the carrier. Nick, 1:55

PM ET: ""There

is a disconnect regarding their insurance."* We are not onboarding employees correctly either.

Vensure holds the only record of every hire and termination. Brittany, on 9/25 you offered broker access ""if CrossPeak approves."" Your own team proposed exactly that on 12/29/2025, I agreed to anything needed, and no one followed through. *I approve Nick's access now, in writing.*

OUR POSITION

- UPDATED - *Vensure is 100% responsible for this loss.* This replaces the one-third split I proposed this morning.

- NEW - *CrossPeak is making an errors and omissions (E&O) claim for this mistake.* Please report it to Vensure's E&O carrier and send me the carrier name, claim number and adjuster contact.

THIS IS A PATTERN: OUR ACCOUNT WAS NEVER PROPERLY ONBOARDED

Onboarding failure Dates and what was said

1 *Benefits cycle never disclosed* (#01) 3/26/2026, 4:01 PM ET: ""All Vensure Master Plans renew on 7/1 annually"" - three months after we enrolled on a 1/1 plan. Fixed only by exception on 6/18.

2 *State tax registrations not completed* (#03) SC, IL, GA and CA raised 3/2/2026; not finished until 9/16/2026 - about 40 weeks. CA EDD \$147.83 penalty (asked 8/10) and SC/IL penalties (asked 7/2) still unanswered.

3 *New-hire documents never requested* (#04) Two hires started 6/15/2026 with nothing to sign. 6/16, 12:16 PM ET: ""Vensure does not create onboarding document templates.""

4 *New hires didn't trigger onboarding* (#07) 6/30, 12:08 PM ET: ""it doesn't trigger onboarding unless selected."" A stuck I-9 halted payroll on 6/25.

5 *401(k) eligibility emails not sent* (#05) Flagged 7/1, 7/14 and 7/23. No root cause yet.

6 *Late payroll, no account owner* (#02, #06) First late payroll in our history on 4/15/2026, after a reorg with no handoff. Still no assigned account manager.

7 *Broker access never provided* (#08) *Terminations and new hires never reached the carrier. About \$20,873 unrecovered.*

NEW - EXECUTIVE MEETING

I'm requesting an escalated meeting with *Vensure's CEO, Alex Campos, or President* as soon as possible to discuss everything that has happened on my account. I first asked on 6/17 and again on 6/26. It was never scheduled. Brittany, please escalate this today and send me times. I'm standing by.

Subject: Re: Vensure - Medical Documents Needed

Zane,

Is your meeting request with our service team or are you looking to meet with our CEO and President? I can certainly involve our leadership team and schedule a call for tomorrow.

I'm consolidating the multiple email threads so I can address everything in one place and make sure we're all aligned.

First, I want to clarify the benefits process. At this time, Vensure's responsibility is limited to deducting benefit premiums through payroll and remitting those payments back to Crosspeak. We do not have an integration that allows us to enroll or terminate employees in plans. That is the role of the broker, which is why communication between you and Nick is critical for managing hires, terminations, and coverage changes.

I would recommend including both Brittany Taylor and Nick on these communications moving forward. This will allow Nick to manage the benefits side while ensuring Brittany can make sure payroll deductions are set up correctly and accurately.

Once you receive quotes for our master plan and if you decide to move to the Vensure master plan, then Vensure will become responsible for processing enrollments and terminations with the broker.

You also asked about how we were able to move your enrollment effective date from 7/1 to 1/1. This required special approval from our Benefits Leadership team, as Vensure master plans typically renew on 7/1. Since that exception was approved, your plan is now set up with a 1/1 renewal date, and no further action is needed on that item.

Vensure is not responsible for benefit plan administration, including the enrollment or termination of employees in benefit plans. As outlined in the signed BASA, those responsibilities remain outside of our scope of services.

Because of that, Vensure cannot assume responsibility for any losses, claims, or costs that may result from delays in enrollment or termination processing. Timely communication and administration of those changes must be coordinated through the appropriate broker and client contacts.

Regarding H.R., any information needed should be coordinated directly between you, Nick, and/or H.R.. We do not communicate directly with brokers on behalf of clients.

As for Nick's system access, you'll need to complete the new user form, and Brittany can get him set up with access. Please follow this link and complete the information. New User Request Form V2.0

I have generated an employee census with active and termed employees that provide hire and term dates as well.

Thank you,

Brittany Shively
